THE

CAVALIER OF '56

FOREWORD

As time speeds swiftly by, our memories of G. H. S. will slowly fade. We, the Cavalier Staff of 1955-56, have attempted to preserve some of the wonderful moments of this year in this publication so that at some future time, a glimpse of the pictures in this book will recall to mind one pleasant experience or one old friend, we feel that we have accomplished our goal.

DEDICATED TO

Mr. E. E. Trent, principal of Gloucester High School. Because of his friendliness, thoughtfulness, and understanding, and because of his deep and sincere concern for education and for the welfare of our high school, we, the 1956 Senior Class, wish to honor this man.

ALMA MATER

We sing our Alma Mater
And praise thy glorious name.
We join in mighty chorus
To laud thy halls of fame.

Sing hail to Thee, Sing hail to Thee,
Loud let your voices cry
With loyal adoration
For dear old Gloucester High.

We'll fill our hearts with gladness
And never shall it die.

TRACK AND FIELD

Track and Field, a comparatively new sport at Gloucester High School, is gaining momentum in popularity and importance. Our 1955 team showed itself well in the few meets in which we participated. At Williamsburg against James Blair, York and Prince George, Gloucester placed a close second. In doing so, however, the Dukes notched more first places than both other schools together, in all events in which they participated. The Dukes' biggest drawback was their absence from field events such as discus, pole vaults; also low hurdles and high hurdles.

We hope to improve, as well as expand our squad this year.

This year Gloucester has two choral groups to its credit. One, "The Gloucester Choraleers", is composed of freshman and eighth graders. This is the first year for this organization and proved to be a tremendous asset to Gloucester's musical life. The second group is composed of students from the senior high level. For the most part they are veteran singers of previous year's choral groups.

THE BAND

The G. H. S. Band for '55-'56 has made more progress than any one musical organization. Owing to an increase in personnel and instruments the band has performed at football games, P. T. A. programs and other public functions. The Band entered the District 1 Festival this year and had participants in the Eastern Division of All-State Workshop Band. The Band's library has been increased with a wide variety of selections and the Band has played everything from opera to jazz.

4-H CLUB

There are three separate 4-H Clubs at G. H. S. These are: the Eighth Grade 4-H, the Junior 4-H, and the Senior 4-H. The main purpose of the organizations is to work for better living in the community. "To make the better best" is the motto of the 4-H clubs.

One of the projects for the year is to promote safe driving by putting up signs in the county showing the 4-H emblem and having the words "Drive Carefully" on them.
